Class - 12th (Class of 2023)

I Played National Level Football Tournament at CP Gurukul

I have always felt at home in Gurukul. Schooling at Gurukul has been an enriching and rewarding experience for me. The teachers and staff were supportive and encouraging, and they helped me excel in my academic performance and pursue my interests. I also enhanced my personality and communication skills by engaging in various extracurricular activities. These activities helped me express myself creatively, develop critical thinking skills, and enjoy different forms of art. Apart from the academics, the school helped me grow as a sports person and helped me get selected for nationals in football.

Owais Irshad Shah Pirzada
Class - 12th (Class of 2023)

Gurukul Offered A Transformative Experience

I joined Gurukul in 2019 when I was in 9th grade, as it was recommended by many of my friends because of the student life and exposure. After one year of my joining, my brother came to visit the campus and stay with me for few days after that he left his school and joined Gurukul; he was in 7th grade at that time. We both studied together on the same campus. It was real fun. The teachers, hostel staff, and our administration officer were always cheering us on to do better in every field. My brother learned basketball and played in lots of tournaments at district & state level. There is a lot to be thankful for, but I am not able to express it in words. I'll just say I lived my best life there & learned many skills for a lifetime.

Thanks Gurukul for giving flight to my dreams

At CP Gurukul, Initially I was upset due to homesickness but later made my mind, to do something positive. I accustomed myself with the atmosphere of Gurukul. Of course, at this moment, staff of the Institute along with my parents helped a lot to groom me. I had dreams of Flying high above the sky. I cleared my all exams in one go to start flying. At this time, I understood the real benefit of past days at Gurukul, that taught me how to appear for any competitive exams or any interview confidently. After all, I am Pilot now, and achieved my dream. All learnt that the success comes only through your positive approach, setting target, your hard work and be ready to accept all situations.

Thanks Gurukul for Being a Second Family to Me

I like this place because of the good education system and the peaceful ambience. The students are very good, and the teachers are excellent. We have doubt counters where we clear our doubts. The hostels are very clean, with a hygienic mess. We have a department store on campus where we can buy the things that we need. At night, we have supervisory classes from 8:00 to 10:00 pm for self-study under supervision. Overall, it is an awesome place for studying and staying. There's a store on campus for things we need. We even have extra classes at night to study with supervision. Overall, it's a fantastic place to study and live. It's clear that you find your current institution to be an excellent place for both studying and living.

My Daughter is Growing in Safe Hands

Due to my irregular schedule in my job, I was searching for a residential school where my daughter can study and grow in a safe environment. My search came to an end at CP Gurukul, Kota. Here she is in safe hands and I don't have to be bothered about my daughter's safety. She is also getting quality food in mess which was my biggest concern.

Mona Goel
Mother of Asmi Geol (Class-11th)

Gurukul environment is really homely and friendly

My daughter is studying in class 11, commerce and she's really loving it there with all the teachers and the rest of the staff. The hostels are quite comfortable and the food is really delicious as well. The environment is really homely and friendly.

I, Agam Bhandari got an All India Rank - 4 in NEET-UG 2013. I was a student of Career Point for 2 years. The Career Point Test Series were very helpful in achieving my goal. It helped me to manage time effectively and provide me high quality question for practicing throughout the studies for class XI and XII while preparing for competitive examination. The handbooks provided by Career Point provided me a quick way to revise major points before taking my final examination. I would advise all Medical aspirants to study hard for getting into a good medical college. Keep the NCERT books as the major text books and the Career Point material provided great added information which is useful for students.

Best institute of Kota where personal care is given to each student without any pressure, positive attitude of teachers is the reason of good result of IIT-JEE. I was disappointed by the attitude of the couple of coaching institutes but at CP I got my confidence back by the motivational guidance of Shailendra Maheshwari Sir (SM Sir) Pramod Maheshwari Sir (PM Sir) and other extremely respectable teachers. I hope the coming years will give more success to Career Point.

Our Roots a legacy of Perfection

Career Point, Kota

The promoters of the school are the people whose commitment and hard work has brought the name of Kota in education on the top in the country. The education institutions of the group are Career Point (Kota), Career Point Gurukul (Kota), Career Point University (Rajasthan), Career Point University (Himachal Pradesh), Career Point Gurukul (Rajsamand), Global Public School (Kota) and Career Point World School (Jodhpur & Bilaspur).

Career Point started its journey at Kota in May 1993. Mr. Pramod Maheshwari an alumnus of IIT Delhi started teaching for competitive exams with just 50 students that were a very humble beginning. Now Career Point is among leading educational institutions of India, well-known for its competitiveness and innovativeness. Career Point is unique for the quality of education that it imparts to students and its dedication towards their success. Every year, Career Point Group provides opportunities for over 30, 000 students through its network of educational entities.
